Screen Styles ▼

Each collection is available in your choice of seven styles. Ranging from the standard flat guard (Rectangle) to the complex Triple Panel Arch, our freestanding screens can be completely customized.

Decorative Designs ▼

Couple one of our seven decorative design options with your choice of color and screen style for a combination that will accent any decor.

Powder Coat Finishes ▼

Each Powder Coat Finish is baked on for long lasting beauty. Scratch resistance and true color consistency make powder coating the most durable finishing process in the industry.

Overlay Finishes ▼

The solid overlay material can completely cover a screen frame or be used as a trim. Overlay finishes are available only with the Traditional Collection screens.

Handles ▼

Each collection (*except Traditional*) has its own style of handles and feet which enhances the unique look of each collection. Handles from our standard selection are also available.
